With Transfer Credits You May Be Closer Than You Think

Champlain College Online has a generous transfer credit policy, allowing you to transfer in up to 90 credits toward a 120-credit bachelor's degree (45 toward an associate degree). Transfer credits may come from a variety of sources including prior college courses, professional certifications or trainings, military trainings and courses, and more. Additionally, if your life and work experiences have allowed you to develop competencies and skills in select subject areas, Champlain offers you the opportunity to demonstrate this through our Prior Learning Assessment course. Speak with an advisor or visit our website under transfer credits for more information
